### Weekly Newsletter 21st - 27th May

#### Notices:

- A reminder to all clergy that the name.surname@anglicanjoburg.org.za address is available for each of you. This is a googlemail address and so there is no cost involved beyond the cost of internet access. You are also able to access this address from any computer or internet enabled cell phone, at any time. Given that it is a requirement that each priest in this Diocese has an email address that s/he checks regularly we would strongly encourage you to contact the Diocesan Office if you would like to sign up and receive some training on it.
- The Parish of St Martin's-in-the-Veld are excited to announce that world-renowned Professor of Astronomy, David Block, will be speaking at their 'Get Real' service on Sunday 29th May at 18h00 in the church hall. His topic: "The Cosmos is Shouting". Don't miss this exciting evening, which is also a great opportunity to invite friends and family. More details and official flyer available online at: [www.stmartins.co.za/cosmos.asp](http://www.stmartins.co.za/cosmos.asp).
- The Archbishop's office has sent us the following link <http://www.churchmusic.org.uk/> which is a site for Anglican Church Music. This site aims to be a central source of information for Anglican and Episcopal church and cathedral music, with resources for church musicians, singers, congregation members, or anyone around the Anglican Communion who enjoys this kind of music. Australia, New Zealand, England, Ireland, USA and many more Provinces are included.
- While we thank God for the calm and peaceful elections that took place in our own country yesterday, we remember those who have been victims of post election violence in Nigeria. Should you wish to make a financial donation to assist all victims of violence in Nigeria, the Archbishop asks that you send donations to the Provincial Treasurer's office clearly marked "Nigeria post election". A visit will be arranged to take the donation to Nigeria.
