Weekly Newsletter 26th - 31st March

Notices:

- Please be advised that Revd **Jean Jeannot** formally a clergy person of St Andrew, Kensington and more recently of the Diocese of Natal, died peacefully in the family home in Edenvale in the early hours of the 23rd of March. A Memorial service and Requiem Mass will take place on Sunday afternoon at 15h00. Clergy are most welcome to robe and join the procession.
- The floor of the hall at **St Joseph's** is seriously damaged in at least three places and it has been decided that, in the interests of safety, we must stop using the hall completely. There are plenty of other rooms available for use, please continue to contact Sue Cramer for bookings. Repairs to the floor will proceed as soon as we are in a financial position to do so - the quotes for refurbishment range from R100,000 to R275,000.
- We have received a donation of five working **printers** that will work on XP but not Windows 7. Should your parish be interested in obtaining one please contact Ivy at the Diocesan Office. Allocations will be made on a first come, first serve basis.
- At the request of many clergy, please find attached the **Transformers 1 & 2** Program for your information.

Prayer Requests:

- Please pray for **Steve Moreo** as he is instituted as Rector of the Parish of St George, Parktown on Sunday at 15h00. All clergy are encouraged to attend.
- Please pray for prayers for Rev **John Naale** a Deacon at Good Shepherd Tladi who is at Bara Hospital suffering from prostate cancer.
- Please continue to pray for **Japan** and for all those people who have been affected by the disaster there. We pray too for the rescue workers from around the world who are participating in the relief effort there.
- Please pray especially for **Libya** at this time.

Provincial News:

- The Archbishop has asked me to let you know that it has been verified that **Bishop Jo Seoka** and his wife, Timeya, have received serious death threats. Please keep them in your prayers at this time and that those responsible for these threats will soon be apprehended.
